VILLA NAVA

A photograph of a modern interior space. On the left, a large window is covered with light-colored, vertically pleated curtains. Sunlight filters through the curtains, creating a warm, golden glow and casting long, soft shadows across the floor. In the center, a white, sculptural armchair with a curved, organic form sits on a light-colored floor. Behind the chair is a wall of dark wood paneling with vertical grain and two vertical metal handles. A small, open magazine lies on the floor near the chair.

VILLA ÉTER

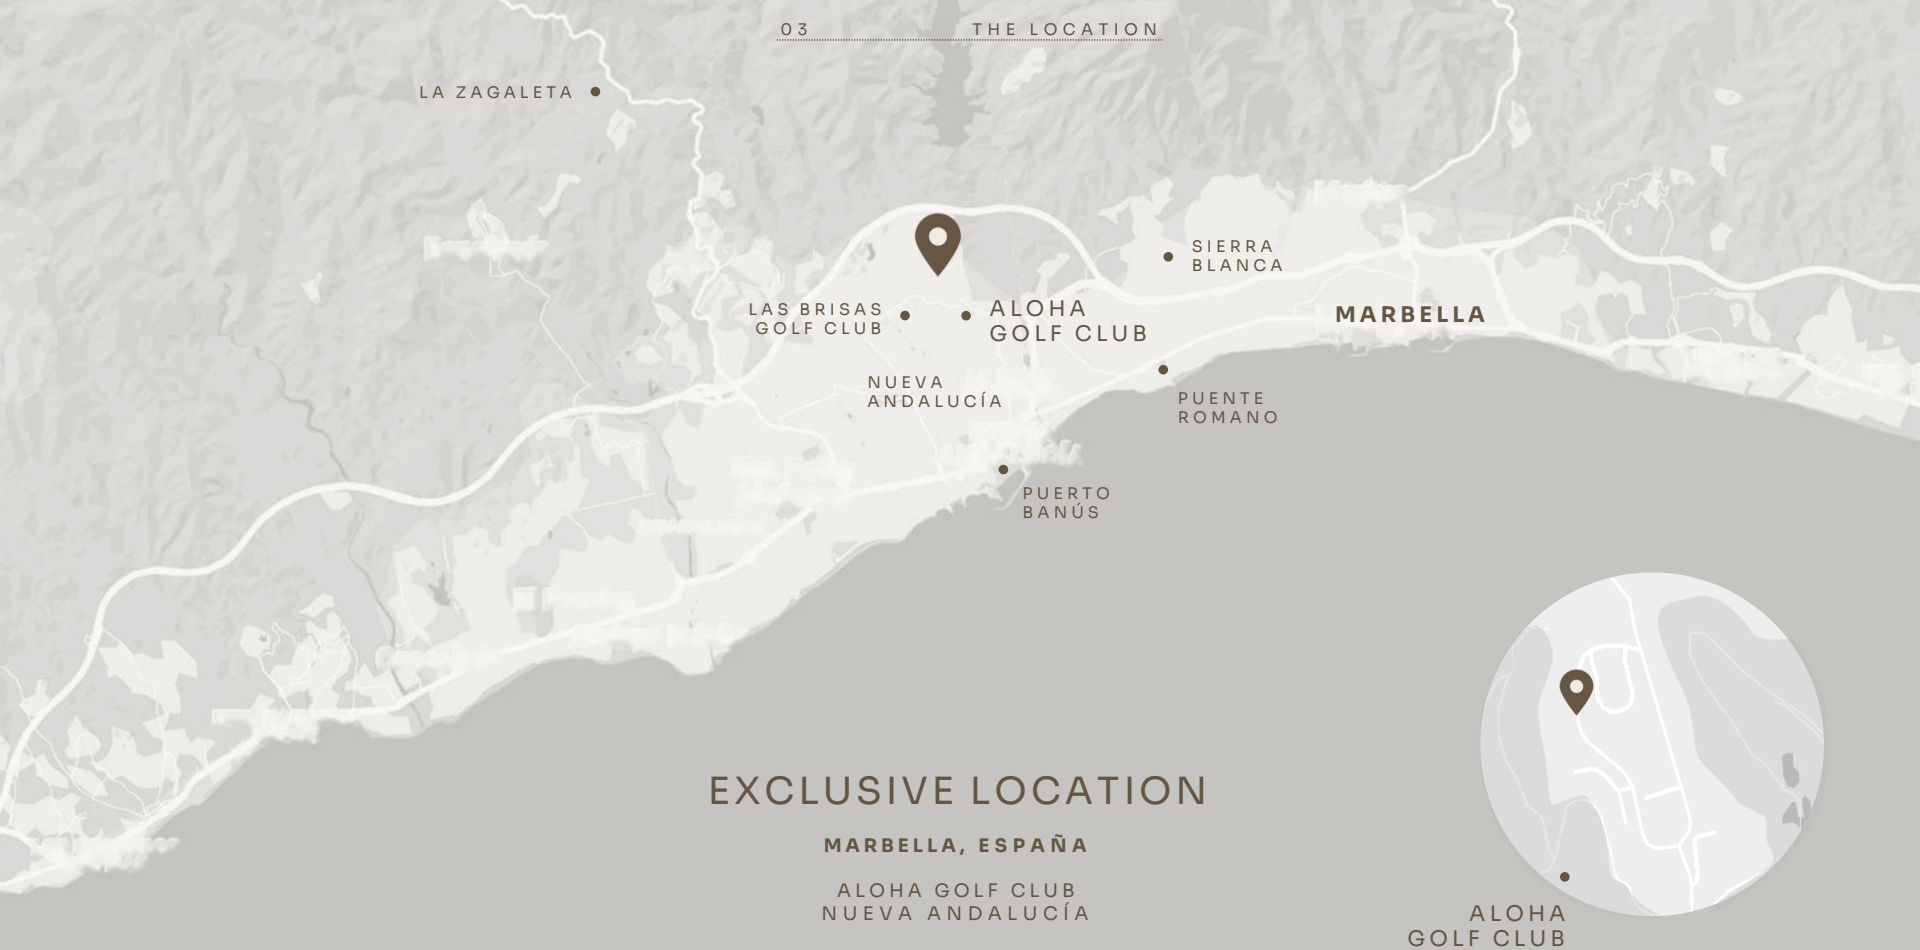

A blurred, vertical photograph of the same interior space as the first image. The focus is soft, emphasizing the warm, golden light and the textures of the curtains and wood paneling.
